CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

State Road Dept. Fixes Shoulders Belle Glade Road

State Road Department forces are busy this week repairing the road shoulders on the road between Pahokee and Belle Glade. With favorable weather the job of filling in the shoulders should be completed by Saturday night.

State Road Maintenance Engineer Pappy put a road grader to work Monday on the job. The grader is being used to pull roadside rock and muck up the recently finished retread job, making it a great deal safer than before. State Road workers are following the grader and hand grading the shoulders.

The retread job on the road between the neighboring towns is a distinct improvement over the old road surface. However, following completion of the retread job there were several automobile wrecks caused by the unfinished shoulders.

A great deal of dissatisfaction was aired over the condition in which the shoulders were left after the retread job. State Road Department officials were asked to do something about it. The work being done this week by Mr. Pappy's crew of workmen is the much appreciated answer from the State Road Department.

Conner's Highway Work Progressing

Work of clearing and patching Conner's Highway between Canal Point and Twenty-Mile Bend is progressing satisfactorily, according to an official of the State Road Department this week. With favorable weather conditions the contractor should complete the job within 75 days.

The emergency dike, which was thrown up on the highway during the hurricane and flood last fall, is being moved off the highway. The J. D. Manly Construction Company of Leesburg, Florida, has the contract for the job. Following removal of the dike from the highway the company will patch the washed-out road and put a new sand seal on it.

Much conjecture abounds as to whether or not the sand seal will be sufficient to render the road usable again. If it isn't there is possibility that the State Road Department will issue new instructions to the contractor to use another method which will be satisfactory.

At the Feb. 9 meeting of the State Road Board in Tampa immediate action was sought on repairing the much-discussed highway. There were some who said that the SRD wouldn't grant a request for repair to the highway. However, the request was made and the SRD granted it. Work was started in a matter of ten days after the request was made in Tampa.

Mr. and Mrs. H. J. Anderson have as their guests her brother and sister-in-law, Mr. and Mrs. Austin Staples of Hartford, Conn.

City Council Has New Inspectors

The Pahokee City Council at a meeting Tuesday night appointed Marvin Cowart, an employee of the streets and sidewalks department, city building inspector and B. B. Justice, an employee of the sanitation department, city health inspector. Cowart and Justice together will assume the duties of general city inspector, a position that has been vacant since the recent resignation of Kenny Mock. In recompense for their additional duties both men were granted a salary boost of \$10 a week.

The council authorized the Florida Power and Light Company to extend the string of street lights on Belle Glade Road to the bridge at the bend beyond the colored school building. J. F. Graydon was employed as caretaker for the Port Mayaca Cemetery, replacing Mr. Summerall.

National Scout Week Is Observed

A dinner meeting of Pahokee Boy Scouts, Cub Scout and Senior Scouts and their parents was held in the First Baptist Fellowship Hall Tuesday night in observance of National Boy Scout Week.

Tom S. Kirk, commissioner of the North Glades District of the Gulf Stream Council of Boy Scouts, was in charge of arrangements and acted as master of ceremonies. W. E. Nexsen of West Palm Beach, assistant scout executive, was in charge of the entertainment and led in the playing of scout games.

Mike Hopperich, cubmaster of the Pahokee Cub Pack, presented awards to the following cubs: Den One, Mrs. Sue Rozelle, den mother—Jimmy Schoepel, one year service star, Bear; rank gold and silver arrows; Tommy Elliott, service star, Bear badge, pin and gold arrow; Philip Dulany, all star, Wolf badge, pin and gold arrow; Michael Hopperich and Gerald Phillips, service stars; Val Gabaldon, Daniel Howes, Don Beverley and Charles Marshall, Bobcat pins. Den Two, Mrs. Jess M. Elliott, den mother—David Simmons, Ronnie Alexander, Gordon Chase, Douglas Tillis and Pat Elliott, Bobcat pins. Den Three, Mrs. D. W. Cunningham, den mother—Earl Douglas, Meredith, Jimmy Colson, David Cunningham, Allen Seegre, Nealy Johnson and Jon Pope, Bobcat pins. Den Four, Mrs. J. Davis, den mother—Jebbie Davis, Bobcat pin.

Members of the newly organized Pahokee Senior Scout Troop and their leaders, David Bleech, Perry Duke and Tom Boland, were introduced. Approximately 150 persons were present including a 100 per cent attendance of parents of the cub scouts attending the meeting. The main dinner course of chicken and noodles and the tea was furnished by the Elks Lodge with Mrs. W. H. Key in charge of dinner arrangements.

The Intermediate Methodist Youth Fellowship will conduct a picnic supper at the First Methodist Church Sunday evening at 8:30. Members are asked to bring their own sandwiches.

Ed Lake Seeks Job As County Judge

Judge Ed Lake of West Palm Beach yesterday announced his candidacy for the office of County Judge, subject to the May Democratic Primary, and stated that his major objective as County Judge would be the protection of inheritances from excessive fees and charges.

Judge Lake has been engaged in the general practice of law for more than nineteen years, and has

been Municipal Judge of West Palm Beach since 1936, except for three years in the United States Marine Corps during the last war. His term of office expiring while he was in the service, he announced that he would not seek re-election during the war in order that the people might elect their own Judge. Following his return he was elected without opposition. Of thousands of cases before him as Judge, only three sentences have been set aside by higher courts.

After serving as intelligence and legal officer at the Marine Corps Air Station, Parris Island, where he received a letter of commendation for services as Judge Advocate and defense counsel, he reviewed court martial cases in the office of the Judge Advocate General of the Navy in Washington. At his request he was sent overseas and served as Assistant Legal Officer for Fleet Marine Force Headquarters, Pacific, and as a member of the General Court Martial there.

A graduate of the University of Florida Law School, Judge Lake is also a member of the State and County Bar Associations, American Legion, Veterans of Foreign Wars, and Elks.

His opponent will be Judge Richard P. Robbins of Palm Beach, who is completing his twenty fifth year in office.

The compensation of the office is \$7,500 as County Judge, \$1200 as Judge of the County Court and \$500 as Judge of the Juvenile Court, totaling \$9,200 per year, together with fees received for solemnizing marriages.

Mrs. Laitice Thompson, who recently went to Georgia for medical treatment, has returned to Pahokee where she is the house guest of her parents, Mr. and Mrs. I. S. Guthrie.

New Rotary Club Is Chartered Tuesday At Delray Beach

The new Rotary club in Delray Beach received its charter on Tuesday night from Dist. Gov. James I. Keller of Miami. An impressive ceremony attended presentation of the charter. Twenty-three of 23 clubs in District 167B were represented. The Pahokee club was represented by President Orin Bacon, Charter Member Abe Dobrow and Member Bob Bacon. The new club has 29 members.

Pahokee PTA Plans To Entertain All County PTA Groups

At the February meeting of the Pahokee Parent-Teacher Association held Monday night in the high school auditorium the group made plans to act as hosts at the PTA County Council meeting to be held in Pahokee on Tuesday, Feb. 17. Following the morning business meeting of the PTA Council in the high school auditorium, luncheon will be served in the Woman's Club building. It was announced.

Mrs. D. W. Cunningham, president, asked mothers of boys of cub scout age to assist in the cub work which PTA is sponsoring. Those mothers interested in this work were asked to meet at the home of Mrs. Christine Elliott on Wednesday evening. It was announced that of the \$3,700 needed to purchase new uniforms for members of the high school band, \$2,000 has been raised and contributions to this project will be most welcome. It was also announced that the paid-up membership of the local PTA to date is 294.

Principal D. D. Caudill introduced Miss Estelle Angles Chafe of Nova Scotia, Canada, who has joined the high school faculty as new instructor of English. The monthly attendance awards were won by Mrs. Lois Mock's first grade room at the elementary school and by the seventh grade at the junior high school.

On the annual Founders Day Program Paul Rardin, guest speaker, gave the history of the founding of the national organization. A pageant, "The Cornerstones of Life," was presented with Mrs. W. M. DuBose acting as leader and Mrs. J. M. Elliott, the spirit of PTA. Mrs. H. L. Speer represented the home; Mrs. Duncan Padgett, the community; Mrs. C. T. Howes, the church, and Ned Koehler, the school.

During the Founders Day program it was revealed that the Pahokee PTA was founded in 1929 with 35 charter members. Mrs. L. W. Armstrong was the first president and E. E. Bishop, now registrar at Junior College, West Palm Beach, was principal of the school. The first PTA project was assistance to underprivileged children.

Mrs. Bessie Cranford returned last week from a visit with her son-in-law and daughter, Mr. and Mrs. Gene McDowell, in Bainbridge, Ga. She was accompanied home by Mrs. McDowell who is her house guest.

Burglars Enter Pahokee School Office, Steal \$20

Burglars entered the Pahokee high school office some time Wednesday night and looted the place of \$20 in cash, according to a statement by D. D. Caudill, principal. Officials were called in immediately after the theft was discovered.

Two doors were torn open and one nearly demolished in order for the burglar to gain entrance to the office, Mr. Caudill said. The thief hunted thoroughly through all the desk drawers in quest of cash. Mr. Caudill said that whatever money comes into the office is deposited daily, therefore only a small amount of cash was on hand.

Deputy Sheriff Frank O'Connell was called in on the case and he called a fingerprint expert from the sheriff's office. Chief of Police Altman Morgan joined members from the sheriff's office in making every effort possible to tract down the burglar.

Health Unit Head Employed By Co.

Dr. A. Y. Covington of Starke, Fla., was hired Monday to head the long proposed Palm Beach county-state health unit.

He accepted the \$8,400-a-year appointment from the county commission on the understanding he does not report for duty until March 15. He told the commission it would take him until then or April 1 to wind up his present affairs as a three-county public health officer in the Starke area. Dr. Covington said he also proposed to proceed carefully with building up of a health unit for this county in line with plans of the State Board of Health.

Commissioner C. Y. Byrd told him he would be "on trial."

"This county is not entirely sold on the state health unit," Byrd said. "It will be up to you to get good personnel here and make it click."

Commissioners said Dr. Covington was recommended for the job by the Palm Beach County Medical society and by Dr. Wilson Sowerder of the State Board of Health.

Joint Service To Be Held Tonight

A joint service of Canal Point Methodist and Baptist churches will be held tonight (Friday) at 7:45 o'clock to observe the "World Day of Prayer." The meeting will be held under the auspices of the women's organizations of the two churches. The movement is sponsored by the United Council of Church Women. An offering will be taken to be used for the work of the council. The meeting tonight will be held at the Methodist church in Canal Point.

Mrs. Robert Chamberlain has returned from Miami where she has been a patient at Victoria Hospital. Mrs. Ed Cushman accompanied her home.

If You Must Know—

Disgusted at being considered a genius by every nitwit when he at all times attempted to make himself appear perfectly normal, Rachmaninoff came up with the retort courteous when a stage-struck listener gurgled, "What ever inspired you to compose such a marvelous piece as your C-Sharp Minor Prelude?" The master made a deep bow and, with a perfectly composed face, replied, "Because, Madam, I needed the dough."—Your Life

No Exception

There were four inquisitive brothers.
Walter stepped on the gas to see if he could beat the train to the crossing. He couldn't.
George struck a match to see if the gasoline-tank on his automobile was empty. It wasn't.
Henry patted a strange bulldog on the head to see if the automobile was empty. It wasn't.
Now the lone surviving brother swore he would never let his curiosity get the better of him—but he did. He asked a girl to marry him just to see if she was engaged. She wasn't!—Wall Street Journal.

Rehearsals started last week for the outdoor spectacle, "Echoes of the Everglades," which will be a nightly attraction of the Redlands Tropical Festival at Homestead, to be held February 22 to 28, inclusive.

Hotels in Miami during the annual "holiday peak" were operating at 98 per cent of capacity. Both hotels and transportation companies reflected the usual lull between the brisk holiday season and the opening of the Hialeah Race Track.

TOO LATE TO CLASSIFY

(By Russell Kay)

While interest always centers on the Governor's race and voters show more concern over the selection of a chief executive than any other official, the fact remains that in the overall picture of government, the selection of those who are to work with the governor is even more important.

Although a governor possesses executive power, it is nevertheless curtailed and limited by the greater power of the legislative branch, particularly the senate. He may make appointments, but they are subject to legislative approval. He may recommend a program of action, but it remains for the legislature to enact the necessary laws to put such program in force.

Even in his executive functions he must have approval from a majority of his cabinet if he carries out the policies he is pledged to follow. Therefore, it behooves the voter to give thoughtful consideration to the selection of a cabinet as well as a legislature.

Another thing many voters lose sight of is that while legislators are chosen to represent counties or districts, the welfare of all the people within the borders of the state are in a large measure affected by their actions.

For this reason it is important in selecting a senator or representative, to pick a man of broad vision who, while alert to protect and serve his own county or district, will not lose sight of the fact that he has a greater obligation to serve and protect the people of his state.

Sectionalism has long been a detriment to state progress and advancement. Selfishness and petty jealousies have pitted one section against another. East Coast against West Coast, North Florida

against South Florida. As long as this situation remains one of friendly rivalry it is healthy and desirable, but when it develops into a genuine feeling of bitterness it harms the whole state.

There came to my desk recently a copy of the platform of Clyde A. Espersen of Miami who seeks election to the State Senate from the 13th senatorial district comprising all of Dade county.

It is gratifying to note that while the gentleman makes the usual pledges to diligently serve the people of his district, he does not lose sight of the fact that he is equally obligated to consider the welfare of the state as a whole, and he so states by pledging to dedicate his energies and talents not alone for Dade counties but for the general welfare of the sovereign state as a whole.

It is possible that a similar promise may have been given by other candidates seeking seats in the senate or the house. I do not know, but I mention this instance since it is the first to come directly to my attention.

I also note with interest that this particular candidate gives cognizance to a number of problems that concern all sections and are not peculiar to the territory he serves, alone, such as flood control, erosion, water pollution, public health, the citrus problem and a number of others.

The solution of such problems does not rest with one individual county or district but is the equal concern of all political subdivisions, and during a legislative session must be considered on that basis rather than upon the effects in one county or one area.

Understanding of the state's problem as well as knowledge of local problems is imperative if a man is to serve as a member of the legislature. If there were some way we could compel every legislative candidate to visit every section of the state and familiarize himself with the problems of each, it would make for better laws and a more tolerant attitude. It would be well for voters to

make sure that the men they select as senators and representatives are the type who can work for Florida as a whole as well as for their own district. When this happens all Florida will advance and all the people will benefit.

CHURCH OF CHRIST, SCIENTIST

"SOUL" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, February 15.

The Golden Text is: "I will set my tabernacle among you; and my soul shall not abhor you. And I will walk among you, and will be your God, and ye shall be my people" (Leviticus 26:11, 12).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For to be carnally minded is death; but to be spiritually minded is life and peace" (Romans 8:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We cannot deny that Life is self-sustained, and we should never deny the everlasting harmony of Soul, simply because, to the mortal senses, there is seeming discord. It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony. Truth will at length compel us all to exchange the pleasures and pains of sense for the joys of Soul" (390:4).

Packed with typical products from a dozen Latin American countries, Pan American World Airways exhibit at the Florida State Fair in Tampa, February 3 to 14, will provide an international flavor for the annual event.

Florida Telephone Corporation, operating in 17 middle and north Florida counties, has been denied an increase in local rates by the Railroad and Public Utilities Commission.

SHORT-CUT to Accident--

The quickest way across the street can be the most dangerous way. To cross in the middle of the block, rushing out from between parked cars, can be and too often is a short cut to accident — and death!

In Florida, 170 people were injured, 71 fatally, from these causes alone in our *first peace year*. In 75% of pedestrian accidents the victims were walking in such a way as to contribute to their own demise. Actually, drivers in relation to pedestrians are more careful.

Florida accident records for 1946 indicate that jaywalkers are even more plentiful and careless and are pushing the pedestrian casualty rate to a new high. Someone must do some life-saving — and that someone is *you*.

When you cross a street or highway be personally responsible for your own safety. Don't expect the other fellow to look out for you. Cross with the light if there is one — with greatest caution if there isn't. It's up to you to walk safely and live longer.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

CONFER DEGREE

A degree of the Order of Rainbow Girls was conferred upon Miss Marlene Williams of Canal Point at a meeting of the Pahokee unit in the Masonic Hall Monday night. Joe Cherry of Belle Glade assisted the group in the initiatory work. Miss Delonna Jones, worthy advisor, presided at the business.

CANAL POINT W. M. S.

The Ione Patterson Circle of W. M. S. will meet with Mrs. Charles Jones on Monday, February 16 at 2:30 p. m.

The Annie Jones Circle will meet with Mrs. D. M. Geiger with Mrs. Jerry Atkins hostess on Thursday Evening, Feb. 19 at 8 p. m.

Miss Hamilton Is Bride Of Mr. Stanley

The wedding of Miss Mary Louise Hamilton, daughter of Mr. and Mrs. Irvin E. Hamilton of Pahokee, and Ronald C. Stanley, son of Mr. and Mrs. Ralph C. Stanley, also of Pahokee, was solemnized at a candlelight ceremony in the First Methodist Church Friday, Feb. 6, at 7 p. m. Vows for the single ring ceremony were read by Rev. Carson T. Howes, pastor of the church, as the couple stood before the altar which was banked with white gladioli and lighted with cathedral tapers in candelabra with potted palms in the background.

Robert O. Lampi, vocal soloist sang "Because" and "Thine Alone," accompanied by Miss Mary Eleanor Kidder of Belle Glade, organist, who also played several nuptial selections and the traditional wedding marches.

The bride, given in marriage by her father, wore an aqua wool gaberdine two-piece suit with white accessories and a single strand of pearls. She carried a bride's bouquet of white carnations centered with a white orchid.

Miss Jane Hamilton, maid of honor and only attendant, wore a blue crepe dress with white accessories and carried a bouquet of pink carnations.

Lynn Walker was best man. Eddie Stanley, brother of the bridegroom, and John Hatton, a cousin, were ushers.

Following the ceremony a reception was held at the home of the bride's parents with the living room beautifully decorated with pink roses and white gladioli for the occasion. Mrs. J. T. Holden was in charge of the bride's table which had as a centerpiece a three-tiered wedding cake. Mrs. Stanley received with Mrs. Hamilton. Mrs. Ernest Maxwell presided at the punch bowl and Miss Helen Howes was in charge of the bride's book. Others assisting were Mrs. Terry L. Sellers, Mrs. Joe Tom Boynton and Mrs. Ellsworth Keen.

After a brief wedding trip to the West Coast Mr. Stanley returned to Gainesville to resume his studies at the University of Florida and Mrs. Stanley returned to Pahokee to complete her Senior year at Pahokee High School.

JUNIOR UNION**VALENTINE PARTY**

A valentine party will be given the members of the Pahokee Baptist Junior Training Union, Monday February 16, at 5:30. Seventeen were present Sunday.

Mrs. W. Roscelle Wilson of Donalsonville, Ga., has arrived for a visit with her parents, Mr. and Mrs. Walter G. Hull, and other relatives in Pahokee.

Larrimore Says 94 Jobs Found By Service In January

A total of 80 employers were contacted in January by the Belle Glade office of the Florida State Employment Service, resulting in 94 job openings, according to A. M. Larrimore, manager of the local office.

Jobs listed as available with the local employment office totaled 15 in comparison with an active file of 270 applicants at the end of January. Overall placements through the Belle Glade office amounted to 62 during the month.

"Extensive plans to provide year-round placement for farm workers, to meet peak labor demands, and to direct migratory labor were put into operation when

the farm placement activities were returned from the Department of Agriculture to the Employment Service on January 1," Larrimore said.

The job outlook for farm workers in this area is better than at the same period last year, due to the severe freeze in February 1947 which virtually destroyed the vegetable crops in this area.

Only 8 of the 210 applicants in Western Palm Beach County are receiving unemployment compensation benefits through the Belle Glade office, Larrimore said. Statewide payments for the week ending January 31, amounted to \$77,240.00 and were made to 5,376 persons.

These figures do not include allowances paid to approximately 15,100 unemployed veterans from federal funds which are tabulated on a statewide basis monthly and totaled \$998,640.00 during January.

Persons seeking jobs, workers, counseling or labor market information should contact the Florida State Employment Service office in the City Hall in Pahokee on Tuesday mornings. Job orders may be placed over telephone 307 in Belle Glade.

The Grower Doesn't Get Rich On The Vegetables He Sells

RUSKIN — "Don't blame the farmer for high priced vegetables," says Paul Dickman, Ruskin vegetable grower.

"Sometimes there is as much as a 300 per cent spread between what the consumer pays for farm produce and what the farmer actually receives."

To illustrate the point he tells of a GI and his wife shopping in a local store. They grumbled about the price of tomatoes (four for 33c). "The farmers must be getting plenty rich at that price," the GI commented.

It happened that those particular tomatoes had been grown by Dickman on his Ruskin farm. Three days earlier he had sold those tomatoes for 22c and he points out that it took him 120 days to produce them, fighting the weather, insects, paying the cost of planting, fertilizing, cultivating, harvesting and packing. Then the handlers in three days make a profit of 33 per cent.

"And still," he says, "everybody blames the farmer."

Five central Florida counties will participate in the 1948 Central Exposition to be staged at Exposition Park, Orlando, the last week in February. Counties represented in addition to Orange are Volusia, St. Johns, Lake, Seminole and Brevard, it was announced by Exposition Manager Crawford T. Bickford.

Bob Schroder Hurt In Fall From Store

Robert J. Schroder, Pahokee waterworks superintendent, suffered painful abrasions on the face and a deep cut on his chin in an accidental fall in front of Wade Ammon's Quality Market north of Canal Point Saturday evening. Mr. Schroder and his family were returning home from a fishing trip and stopped at the store for bread and drinks. On leaving the store Mr. Schroder miscalculated his step and fell headlong on the sharp gravel. Several stitches were required to close the cut on his chin.

Will Operate New Store In Canal Point

Mr. and Mrs. Carson Doering arrived recently from Lincoln, Neb., to make their home in Canal Point where Mr. Doering will operate the Canal Point Sport Shop and be available for public accounting work and serve as an income tax consultant. Mrs. Doering is the daughter of Mrs. M. C. Carter of Canal Point. She received her B. S. degree in business administration at the University of Nebraska in January. Mr. Doering plans to return to Lincoln next summer at which time he will also receive a B. S. degree in business administration at the University of Nebraska where he has been majoring in accounting.

TO FORM CIRCLE

Members of the Woman's Society of Christian Service of the Pahokee First Methodist Church interested in forming a new WSCS night circle are invited to meet at the home of Mrs. D. W. Cunningham on Monday, Feb. 16, at 8 p. m., to carry through organization plans.

The other two circles of the First Methodist WSCS will also meet on Monday, Feb. 16,—the Simonson-Lair Circle, at the home of Mrs. W. A. Howell at 3:30 p. m., and the Gertrude Shirley Circle, at the home of Mrs. Rudolph Faulk, at 8 p. m.

Annette McIntosh Has Birthday Party

Annette McIntosh celebrated her tenth birthday anniversary at an all-day party given by her mother, Mrs. Harry M. McIntosh, at their home on Bacom Polt Road Saturday. Following dinner, picnic style, served on the back lawn and the playing of games Annette and her guests attended the rodeo on Lair Field.

Those attending were Kay Friend, Phoebe Ann Ramey, Jeanine Mock, Corrine Collins, Betsy Bishop, Barbara Ferguson and Gay Schoepel.

Cinematic Chatter

By Malcolm Millar

Shapely Esther Williams will be back on the Prince Theatre screen this Sunday-Monday in the best show she has presented here so far. Her offering this time is "This Time For Keeps," and it's in technicolor, too.

A glance at the stars will be sufficient for you to know that this is an outstanding show which splashes some of the greatest musical comedy talent in the entertainment field today. In the show are Esther Williams, Lauritz Melchior, Jimmy Durante, Johnnie Johnston and Xavier Cugat and His Orchestra.

Durante is outstanding in the cast for the riotous comedy situations, gags and song numbers he offers and Xavier Cugat and his boys certainly do put the hot licks and sweet rumba into the show.

With Esther's eye-filling curves—Melchior's marvelous songs—Johnston's ardent kisses—Durante's delicious gags and Cugat's Latin rhythm, it will be a gay melange of beautiful gals, gags and songs.

See you at the movies—Mal.

Auxiliary Plans To Entertain Mrs. Jane Fleetwood

Members of the Pahokee and Canal Point American Legion Auxiliaries met jointly at the home of Mrs. Bert Carlton Tuesday night to complete plans for entertaining Mrs. Jane Fleetwood, State auxiliary president and Mrs. Elizabeth D. Parlier of Delray Beach, district president, when they make their official visit to Pahokee on Feb. 26.

The official visit will take place at a meeting in the Pahokee Woman's Club building on Thursday, Feb. 26, at 8 p. m., with members of the Pahokee and Canal Point Auxiliaries acting as hostesses and members of the Belle Glade Auxiliary to attend as guests.

Food Sale Planned By WSCS On Sat. Feb. 28

The Canal Point WSCS will sponsor a food sale on Saturday, Feb. 28, at the Canal Point Sport Shop, located next door to the drug store. Many delectable delicacies will be offered to those who desire good things.

How far can you throw a grapefruit? The Florida Citrus Exposition will stage a grapefruit throwing contest in connection with the 1948 program on February 18, it was announced by Manager Phil Lucey. The Festiva dates this year are February 16 to 21.

Young Women To Present Program

This Sunday morning at the First Baptist Church of Pahokee, The Young Woman's Auxiliary, a branch of the Woman's Missionary Union, will present a recognition program as part of the preaching service. The Misses Laurie Rogers and Margaret Powell will present a diet, "I'll Go Where He Wants Me To Go." Special guests will be the mothers of the members. Mrs. Roy Pope, president will be in charge. Mrs. Paul Tillery is the leader. Rev. C. A. Moberg, pastor, will speak on, "A lesson for all."

At the night service beginning at 7:30, Dr. H. E. Ressler will speak on, "The Battle of Armageddon." One need look no further than the dictionary to note this as, "The plain of Esdrasalon; scene

of many battles; hence, the prophetic scene of the great battle at the end of the Tribulation Period, at the ushering in of the thousand years known as The Millennium."

MEN'S BIBLE CLASS

The fine increase in the attendance of the Pahokee Men's Bible Class is the joy of the many thus interested. The enrollment now numbers 114, thanks to another increase last Sunday. The goal of 200 on roll, while still awaiting fulfillment, has not been lost sight of and will continue to be the thought and prayer of the many who are working in this direction. The Bible says, "If ye faint not, ye shall reap." God is still on the throne. His promises are yea and amen. The annual fellowship din-

ner of the class will be entered into on Friday night, the 20th of February. Members and friends of the church will be the guests. Dr. J. Kelly White, pastor of the First Baptist Church of West Palm Beach, will be the speaker. His movie of the World's Baptist Alliance recently conducted in Copenhagen, Denmark, will be shown. All are invited to attend the class session this Sunday at 9:45, at which time the teacher, Rev. C. A. Moberg, will present the lesson, based upon the second chapter of the Acts. The Class Quartet will sing. Elsworth Keen is the president.

Mr. and Mrs. C. L. Shirley have as their house guest this week Bob McKidden of Defiance, Ohio.

APPRECIATION

The Council of Church Women of the Pahokee Canal Point area extends its sincere thanks to every one who helped to make the Chain of Missions program a success. The co-operation of the local Ministerial Association, the Rotary and Lions Clubs, and Dr. and Mrs. L. W. Armstrong who entertained the speakers in their home, was greatly appreciated. The Chain of Missions committee composed of Mesdames Henry Brooker, E. L. Pope, Claude Shirley, Otto Blech, A. R. Harrington, J. F. Wadell and C. M. Todd, did a splendid work. The Council plans to sponsor a Chain of Missions program in our communities next year.

Signed Mrs. A. R. Harrington and Mrs. John A. Dulany, co-chairmen.

HURRY! HURRY!

Join the 11,200 pedestrians KILLED last year!

Don't go home to-night. Go to the hospital—or the morgue!

Why be around to-morrow, next week, or next year? Go on—dash through traffic when and where you shouldn't. Ignore red lights and safety signs. Make a face at the traffic cop who's trying to protect you as you tear by — hurrying to go — where?

Be impatient. Hurry, hurry and join the 11,200 pedestrians who were killed in the United States last year. 195 of them were neighbors of yours in Florida.

But perhaps you don't like the idea. Maybe you enjoy living and don't want to rush into Kingdom Come prematurely. That's different—and the answer is simple. Don't hurry. Wait just the few seconds it takes the light to go green. Don't take a short cut across the middle of the block, drivers aren't looking for you there. And no matter when or where you cross a highway, be alert. Walk safely and live longer.

Mr. Motorist—
